### Certificate for the Activity as an Expert

FIBAA (Foundation for International Business Administration Accreditation) is a European, internationally oriented agency for quality assurance and quality enhancement in higher education. Its objective is to promote quality and transparency in education and science by awarding a quality seal for study programmes and for Higher Education Institutions. Hereby, FIBAA is supported by selected experts (representatives of the scientific community, practitioners and students).

Professor Doctor Alymbekov Keneshbek Asankojoevich is active for FIBAA as an expert and supports FIBAA in peer-review procedures.

As Division Manager Expert Management, I would like to thank Professor Doctor Alymbekov Keneshbek Asankojoevich for his support and look forward to continuing our successful cooperation.
